Rules	
1	8 end games (or less)
2	5 rock rule
3	No Tie Games! Skip stones with sweepers
4	Please alternate your team order by gender when possible.
5	Wins need to be recorded for each game (circle your team name). Win totals determine you Playoff seeding. If there is a tie for seeding the head-to-head record will determine the seeding with the regular season winner seeded higher.
6	Make-up games can be completed on March 13th, or on Tuesdays, or on the few times there is a spare sheet on Thursdays, if scheduling allows. If there are no scores written down by March 13, League organizers will make up a score for you.
7	Have fun!
8	Playoffs are 3 pools of Round-Robin play, and will determine "A", "B", and "C" winners.
